SHERMAN OWES RETENTION TO ALBANY BOSS

BY C. S. ALBERT.
[Special Star-Bulletin Correspondence]
WASHINGTON, D. C., June 27.—The retention of James S. Sherman on the Republican ticket in second place did not create any surprise at the last moment. He owed his honor entirely to William Barnes, Jr., the Republican boss of New York, who at the last moment held the fate of President Taft in his hands. He could have prevented his nomination on the first ballot by refusing him the delegates from New York. He does not like the President, but is extremely friendly to Vice-President Sherman. For that reason he traded the New York delegation for second place and gave it to Mr. Sherman. This was right acceptable to Mr. Taft under the circumstances. It was for preferential to having Kenyon, Borah, Cummins, or some other radical Progressive tacked on as his running mate. In addition, he can feel assured of united support from the Republicans of New York. The original ambition of Mr. Sherman was to secure the gubernatorial nomination in New York, but it was considered better to leave him in his present status.

AN OPEN SECRET.

Many ask the reason for the continued and increasing demand for Chamberlain's Colic, Cholera and Diarrhoea Remedy. The secret is that it never fails to give relief. The middle-aged men of today remember it as the remedy given them by their mothers for cramp colic and dysentery when they were children and its reputation as a positive cure for such ailments is still maintained. No remedy has ever been produced that is its equal for the prompt relief of pain. For sale by all dealers. Benson, Smith & Co., Ltd., agents for Hawaii.

The firm of C. W. Macfarlane & Co. has just secured a lease of the building now occupied by the City Auction Company, 114 Bethel street, and will move there from its present location at No. 8 South Queen street.

Specimens of a rare variety of alligator pear grown by S. I. Shaw at Kaimuki are shown in one of W. W. Diamond & Co.'s windows, King street. They are of oblong shape, nearly a foot in length. This variety has an unusually small seed, giving it a large proportion of meat.

Castle & Cooke, agents for the Matson Navigation Company, registered a hearty "kick" before the Board of Harbor Commissioners yesterday afternoon, complaining that the latter were too stringent as regards demurrage charges on Territorial wharves to permit the Matson concern to compete successfully with the American-Hawaiian line, which docks at the O. R. & L. Co.'s wharves. After a careful comparison the Commissioners decided that the Territorial wharf demurrage rates are practically the same as those of the Oahu Railway, with the exception of a day on the smaller cargoes, on which the Oahu Railway permits the longer time.
